This Week's Challenge...

This week, talk to mature saints who have been saved at least 10 years to hear what it REALLY takes to walk this walk and learn from the experiences of those further along. Write what you learned. *If God did it for them He can do it for YOU!* With the help of the Lord you **can** make it! Here are the details:

What should I ask them?

- What would you have liked to know earlier in your walk with God?
- What scriptures have you held to since you've been saved?
- What has been key to you growing spiritually?
- What did you do when you felt like giving up?
- What obstacles have you watched God help you overcome?

Who can I talk to?

Pastor Tim Harris

Sister Cynthia Jelks

Brother Ryan Ware

Sister Tanya Harris

Sister Jackie Dunn

Brother Tim Maddix

Sister Sherry Ware

Sister Andrea Harris

How long should we talk?

You must talk for **AT LEAST 15 MINUTES!** You can talk to one person for 15 minutes, 2 people for 7 minutes 30 seconds each (if you want to be really technical lol), or 3 people for 5 minutes each.

What did you learn? What can you relate to your own walk and growth?
