What did you learn? What can you apply from the Word to your everyday life?

"The Word of God is demanding. It demands a stretch of time in our day - even though the length may be a very modest one - in which the Word is our only companion. God will not put up with being fobbed* off with prayers in telegram style and cut short like a troublesome visitor for whom we open the door just a crack to get rid of him as quickly as possible." -Mother Mildred Boyd

[*fob (someone off): verb; deceitfully attempt to satisfy someone by making excuses or giving them something inferior.]
