

The JESUS Challenge Pt. 2

This week, we continue The JESUS Challenge. Every day we want to strengthen two habits that will allow you get to know Jesus for yourself: praying and reading His Word.

Talk to JESUS

Prayer is talking to God. Each day, take some time (whether 3 minutes, 30 minutes, or 3 hours) and pray. After you talk to Jesus, check that day off.

What can you pray about? Here are some ideas! Feel free to grab a sheet of paper or note on your phone and add more specifics that you want to pray about for each category or new categories you come up with. We can talk to God about anything!

- ✓ Things you're thankful for
- ✓ Things you need God to do in your life / heart / mind / body
- ✓ Salvation and a closer relationship with Jesus
- ✓ Situations in your life now, issues from your past, and concerns for the future
- ✓ People you want to pray for – family, friends, classmates, etc.
- ✓ Things happening on campus, in the country, and around the world

learn about JESUS

Every successful relationship or friendship requires getting to know one another, communication, and taking time for that person. This week, let's build up our relationship with Jesus through prayer and His Word. You can complete this in one sitting or throughout the week. Up to you! The main thing is to take or make the time for Him. This week's we'll look at three stories about Jesus.
